It's been an exciting June and it looks to be very exciting July and August too. In June we had the 2nd Annual Spring Concert with The North Star Boys Choir followed by an Ice Cream Social. The Spring Bloodmobile was here for the Blood Drive on June 2, 2018. An enthusiastic team went to Feed My Starving Children on June 9th, 2018 where we packed 21 boxes of food for the starving children of Haiti.

On June 17th we celebrated Father's Day and we honored every man with a red carnation. We also held a "Loan Burning Party" on Sunday June 24th, followed by a "Hot Dog" Picnic. In this abbreviated issue, read Sue Nagorski's article where she thanks everyone who was involved in the building of the Parish Hall from the beginning in 2007.

In this issue, I'd like to continue my custom of recommending a book for your summer reading. It's titled, Walk In Love, by Scott Gun and Melody Wilson Shobe. **"It is the most comprehensive** - and comprehensible - guide to Episcopal faith and practice available. A perfect book for newcomers, long-time members and anyone **in between."** (Adam Trambly of St John's Episcopal Church, Sharon, Pennsylvania).

The book is a journey through The Book of Common Prayer, the Christian life and basic beliefs of our faith, guided by two Episcopal priests. Walk through the liturgical year, the sacraments of the church, habits of daily prayer and the teachings of Anglican Christianity. See how our prayer shapes our belief and our lives and how our beliefs lead us into a deeper relationship with Christ.

You can order this book on Amazon.com or at forwardmovement.org. It's an excellent resource and one I highly recommend.

I hope you enjoy this July issue with pictures of you in our numerous ministries and events of the recent months.

Please be intentional about Sunday worship. Bring a friend or relative. Every Sunday is a special one as we gather together to celebrate the mysteries of the Eucharist. Please keep your pledges throughout the summer as expenses remain **the same. Mark your calendar for our Annual Outdoor "Green" Eucharist on Sunday, August 5, 2018, at 10 a.m.**

Have a safe and healthy month of July! Stay well, be good of heart and let go, let God! Thank you for everything you do every week for our beloved Holy Trinity. You are a testament to the love, commitment and compassion of Jesus. Our **ongoing growth speaks volumes about your witness to Jesus' love in a starving world for true friendships and genuine relationships.**

As always in Christ love,

Fr. Rob †

SR. WARDEN

SUE NAGORSKI

I hope everyone is enjoying their summer!

Thank you all who helped with the loan burning party. What a great accomplishment we celebrated. Those who have been part of Holy Trinity since the addition of the Parrish Hall can tell us about the planning and support of the project. We should appreciate the time and energy the Past Vestry, Fr. Dick Bormes, The Capital Campaign Committee of R.D. and Sherry Tyler, Linda Krieger, Sally and Ross Lubrant, and members of the church, must have put forth to see this project thru back in 2007. With a "leap of faith" and the generosity of Dawn Moyer, who provided the "seed" money, a kick off campaign was started on Trinity Sunday, June 3, 2007. It began with fellowship and burgers on the grill, as we have ended it this week with our fellowship BBQ. How fitting.

Hopes and dreams, A "wing and a prayer", and financial backing. We can appreciate their forethought of Growth and Gathering and how important they knew it was for a close church community. We have hosted many events over the years and spent a lot of quality time together in that Parrish Hall. And thank you, to those that continued to support that building Capital Campaign fund, whenever they could, thru the years. It seemed to me to be a quiet pledging, to see this project thru, yet so very important to meet that rewarding end goal for our whole church. God has blessed us with great people in our church community over the years. Amen. Thanks. So awesome- amazing to me how that works. And yet not surprising. Wow. Right?

In other Vestry news, watch for our new sign out front. A new face on the existing sign with a digital reader on top. We have combined the best of old and new to bring us into the future without forgetting the historical church that we are. Many thanks to those that contributed to that great project! Certainly, a view of who we are and what we are doing for the community around us and those who pass by.

Father Rob has been outfitted with a new headset. And although we are still working thru what is too loud and what is just right, we think it will be a great asset. A few missing shingles on the roof were replaced last month (bet you didn't even notice they fell off) and the repair of the broken stained glass window above our front red doors is still in the works. Those old pieces of glass can be a bit of a challenge to find and/or match and then to have properly installed. A new grill was donated and approved to replace the well-used one we had. Thank you! We had seen that old grill thru many great bbqs, events and women's group brat sales!

Thanks for your continued support in the various ministries of our faith community. We appreciate every little thing, and every big thing, and our future church will too.

Keep cool and see you on Sunday.

Sincerely with the Grace of God,
Sue Nagorski
